

Mask Policy (Start of the 2021-2022 School Year)

In accordance with direction received from the St. Andrew School Corporate (Board), masks are not required for the beginning of the 2021-2022 School Year for students or staff. The Board is giving parents the discretion to decide whether their children should wear masks at school and teachers the discretion to decide themselves on whether they wear a mask at school.

As you know, this situation is fluid and we will keep parents apprised of any changes to this policy. Of course, St. Andrew School will abide by any masking and other measures that may be mandated by appropriate government officials, should that occur in the future.
